SAFETY & SECURITY

- Park in assigned parking space ONLY and obey all posted traffic signs — Stop, No Parking, or Handicap, etc.
- Maximum speed limit while driving on the lot is 8 MPH.
- When approaching a red flashing light, please bring your vehicle to an immediate stop and proceed only when the red light is shut off or a guard waves you on.

SLOW DOWN AND BEWARE OF ZOMBIES!

BY JUDI MILLER

As I was strolling about the Studio the other day I suddenly heard the loud screeching of brakes and cringed as I braced myself for the inevitable sound of impact. Fortunately it never came and a horrible accident was avoided, this time. The lot is in full hustle and bustle mode. People are speeding along on bicycles and in cars and utility carts, distracted and apparently unaware of the posted 8 MPH speed limit mandates. And then you have your phone zombies, you know, those folks walking around with their heads down, eyes glued to their devices, oblivious to their surroundings. This creates the perfect storm!

I have read that 1 in 4 car accidents in the United States are caused by texting while driving, and 64% of all road accidents involve a cell phone. Think about our little community here on the lot and what those statistics could mean. Getting where you need to be a minute or two late is better than never getting there at all, and no text message or Facebook notification is more important than your life.

Please obey the speed limit, stop for stop signs, and always be mindful of pedestrian crossings while traveling through the lot. Be alert and stay safe out there!

PRODUCTION MEETINGS

are held every Tuesday and Friday, at 11:00 a.m., in the Mack Sennett Building, Conference Room 112. During these informative meetings we discuss the weekly production schedule, lot location shoots, and weekend events. Representatives from each production are encouraged to attend at least one meeting per week.
